

PANORAMA RANGE

Fixed Perimeter Frame Umbrellas

Skyspan's fixed perimeter framed umbrellas are designed, engineered and manufactured in Australia using state of the art materials that give strength, elegance and durability.

The Panorama range has been designed to incorporate clear drop curtains with a water flow controlled gutter system that can be attached to the perimeter frame providing the ultimate outdoor entertaining solution for all seasons.

Skyspan has created a unique umbrella that is suitable for the harshest of conditions by combining structural grade steel frames with translucent architectural grade PVDF skins which are wind rated up to 150 kph (W41).
